\*Dancers will all learn the same Technical Across-the-Floor and All-State Routine. They will be separated into their OSAA Classification groups for both judging sessions.

\*\*All of the dancers auditioning for All-State will need to stay for the Review/Call backs. The times listed for call-backs and the start of 5A Auditions are an estimate; these times will vary depending on how many dancers make it to the finals and long the judging takes for each group. The 1A-4A teams will be judged before the 5A teams begin, so the 1A-4A call backs will be earlier in the evening and those teams will be done sooner. The 5A & 6A groups should be prepared to stay until the end of the night.
