Old Business

Proposal Review Chart –

No new proposals added to the Matrix, and no re-writes of existing proposals submitted for review.

Reviewed upcoming vote on proposals #3 and #16; please check the website for the updated Matrix. Please be sure to communicate concerns and opinions about proposals before the board to your board representative.

Reports:

Pre-Qualifying- Linda Sheron will work with Kurt Jull to add a “Pre-Qualifying” page to our website. This list will be generated by Linda as she receives completed forms from coaches as they meet their “Pre-Qualifying” requirements. It is the coach’s responsibility to check and make sure that they are added to the list after sending in their forms. Forms MUST be received by the deadline; forms handed in AT State WILL NOT be accepted. You will find the form on the website. The Score Tracker only reflects scores, it does not indicate whether a team has met their timing requirements, do not rely on postings on the Score Tracker page as a means of confirmation of Pre-Qualification.

Fall Conference Review/Update –

Finalized duties and logistics for the event; should be great. Toured the facility, board definitely thinks the attendees will like the new venue.

Board Positions

There have been four applications received to fill the five spots on the Board. It has been decided that we will not fill the fifth spot; the need to fill that spot will be re-evaluated before the 2008 Fall Board Elections.

The Board would like to thank Linda Romey, David McCall, and Holly Holbert for the service they have given to this association. Their valuable time and efforts are appreciated, and they will be missed. Thank you!

Junior High-

The date for the Oregon Junior Dance Team Championship has been set for April 5, 2008.

If you host a Junior high competition, or have a junior high division available at your competition, please communicate that information to our webmaster on www.ddca.org .

New Business:

OSSA Rep:

We will be looking for a new OSAA Representative. The Board would like to thank Robin Hare for her years of service to this association as our representative. Thank you, Robin!

DDCA Membership Questionnaire:

A questionnaire will be distributed at the membership meeting.

The information collected from this opinion poll will help to determine the direction that the membership wants the Board to go in regard to: Board Restructuring, Pre-Qualifying, Finances, and Priorities.

Agenda for fall meeting

The agenda for the membership meeting was reviewed and finalized.

Goals and Objectives of DDCA

We will read the Goals and Objectives of the DDCA at the membership meeting. Please take a look at them before the meeting; they are inside the cover of our manual. It is important that we remember “who we are” and “why we do what we do”. It is our responsibility, as members of the DDCA, to support the Goals and Objectives of the DDCA, and do our best to promote them.

Membership Privacy

There has been several members mention that they have been contacted by vendors and event directors that have one way or another gotten a hold of our membership list. We want to remind all members that that information is private. The vendors that are a part of our organization pay for that membership and do not share our information. Please do your best to protect the privacy of our membership and do not share the list with anyone that is not a DDCA member.

Be sure to contact your Board Representative with any questions or concerns. A new list will be provided after the new board members are elected.

Next Meetings:

Nov. 7th – Woodburn H.S. Dec. 5th - TBA
